of Liver complaint, &c.

These pills are alterative, and produce a healthy action of the liver without the least danger, as they are free from calomel and yet more efficacious in restoring a healthy action of the liver.

These remedies are a certain cure for consumption as the Pulmonic Syrup ripens the matter and purifies the blood. The Mandrake Pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of Consumption. The Sea Weed Tonic givestone and strength to the stomach, makes a sumption. The Sea Weed Tonic givestone and strength to the stomach, makes a good digestion, and enables the organs to form good blood; and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as thus explained, will cure every case of Consumption, if taken in time, and the use of the medicine persevered in.

Fifteen of Them Arrested Yesterday -A Proclamation by the Mayor

Pit. The Mayor's Court riot at Gravel Pit. The Mayor's Court was filled to overflowing with miners and their friends. At the hour for the trial the Mayor called the names of fifteen miners and requested them to step on the platform if present. The men responded promptly, thinking they were called as witnesses, and were completely dumfounded when the Mayor informed them that they were under arrest for \$400 each for their appearance Wednesday at 3 P. M. Failing to give bonds they were committed to jail.

The miners are very bitter in their denunciation of the new men. Some of them boast they will give the authorities s chance to arrest them all before morning. They held a big meeting this afternoon and determined to stand firm; they also resolved to meet on Sixth street, near the Gravel Pit, at an early hour tomorrow morning. The Mayor issued a proclamation this afternoon setting forth that a number of persons are unlawfully and riotously assembled in the city, that the officers of the law are unable to execute the law, and calling upon 150 citizens by name to assemble at the Mayor's office at half past five e'clock to-morrow morning to aid iu dispersing and taking into custody all persons engaged in the riot. Merchants, doctors, lawyers, editors, and in fact all professions are represented in the list, many or whom say they will not serve. It is believed that it will result in a failure, as the citizens will be unarmed and outnumbered. - Cincinnate Enquirer.

The weakness in coal shares was occasioned by the announcement that the sales department of the Lehigh and Wilkesbarre Coal Company had issued a circular making their prices from 45 to 70 cents per ton lower than the Reading Company, delivered alongside at New York and from 25 to 50 cents lower than the Lehigh region producers, delivered to the same. Messrs, H. Kennedy & Co. have been readmitted to the Stock Exchange.
